

Alisa Tomasetti

Sr. Manager, Logistics Planning

Alisa is a Senior Manager of Logistics Planning at CVS Caremark, located in RI. CVS/ Caremark is the largest integrated pharmacy company in the United States. The company had more than \$123 billion in annual revenue in 2012 and currently ranks 13th on the Fortune 500.

Alisa provides expertise for product flow initiatives, is responsible for leading 18 Distribution Centers and Corporate Logistics through business recovery events, and provides the DCs and stores day to day support. Alisa's role collaborates with leadership across the organization driving improvements to the supply chain and store experience.

Alisa, 32 year veteran at CVS, began her career in Transportation. Her career blossomed when she was handpicked to play a key role in the Revco Drug acquisition for her expertise in warehousing and transportation. Success on the Revco acquisition propelled her to a key Logistics position on their future acquisitions where she led product flow integration, change management, and customer service implementations.

Alisa received a "Breakthrough" Award for her leadership during the Tuscaloosa Tornado recovery efforts, where CEO Larry Merlo praised her ability to break down barriers, and cut through red tape, in order to help the store teams and customers impacted by the tornadoes.

Alisa enjoys time with her family and is thankful for the opportunity to share her experiences with you today.
